ENGLISH

The Upsala community lost a dedicated professor when Dr. Bernard G. Faris passed away on December 4, 1972. Dr. Faris began teaching at Upsala in 1959 as a member of the English department. Yet his sense of responsibility and deep concern spread into many realms on campus. The list of committees and councils in which Dr. Faris found himself involved seems endless for he was one professor who was willing to work and communicate with Upsala students. Many in the Upsala community expressed grief over the fact that such a valuable man as Dr. Faris had died at so young an age.
